Work on the Musket began in July of 2002 and ended in February 2003.

Volume 41 would not have been complete with the diligent work of Brittani-Lee Losavio, Brad Allain, Josh Burden, Yarelis Alvarado, Jackie Colognesi, Ashley Laliberte, Gina Melendez, Roselyn Mignavong, Austin Powers, Todd Reed, Julian Guzman, Adam Noga, Melissa Iozzo, Kerry Carpentier, and AnneMarie Darling.

2003 Class History

We as a class entered Southbridge High School in the fall of in expecting for all great activities we heard when we were 8th graders. When we came into Southbridge High we were inexperienced and very naive. Our advisor Ms. Smith, it was also her first year, from there we had to elect officers. They were Ashley White a President, Judith Rivera as Vice President, Tim Prymak as Secretary, and Julianne Knych as Treasurer. Now that we had our officers, we were off to our first task, and that was planning our skit. After having been the only class to get our skit approved, the skits were cancelled that year (Seniors that year did not seem to be happy so they staged a "sit-in" that did not change anything). Fortunately we had paint night and a rally. However, our class was not lucky enough to experience Winter Carnival or Spring Day, but we managed to get through the year. With Sophomore year coming up we held elections and elected Gina Melendez-President, Sarah Delage-Vice President, Jenn Bailey-Secretary, and Julianne Knych -Treasurer.

We entered Sophomore year facing the reputation left by the class ahead of us. Ms. Smith stuck with us. We once again faced the Thanksgiving rally with much hard work and practice we won first place in the skits with our interpretation of "West Side Story". However, we placed last in he poster competition. Our Sophomore year the officers worked extremely hard for the rest of the year and years ahead of us. At the end of the year, there was planning for our next big task...the PROM...dun...dun...dun. So, we booked the Crowne Plaza hotel once again. Not only with the prom on our minds elections too. The tables turned during the election and now the boys were taking over, they were known as the "Reform Party" which included Tony Desmaris- President, Quinn Renehan- Vice President, Andrew Christianson-Secretary, and Shayne Filo-Treasurer. Who can forget all the drama that went down with that outcome? We had a reelection with secretary and Jaclyn Carron became our new secretary (and everything else) but we all know who was the real winner Andrew. We left Sophomore year and finally became upper classmen.

We became Juniors making us upperclassmen. Once again Ms. Smith was behind us. The Thanksgiving rally came about and it was time for skits. We got things together last minute and received first place for "Beat it" (we even included the dance from Michael Jackson's video). No posters though we did not mind at all, since we placed last two years in a row. We did some fund-raisers and we were able to put on a good prom, "Stairway to Heaven." Sarah Delage was Princess and Izzy Ayala was Prince. At that we had elections once and for all. We elected Gina Melendez-President, Katie Hmielowski-Vice President, Jenn Bailey-Secretary, and Danielle Bridgeo- Treasurer. Also, with new advisors going into senior were Ms. Checka and Mr. Cournoyer.

Finally, Senior year at last! We got together to plan fund-raisers for Senior year trip. However, not enough people helped so plans for a class trip fell through. The big task we had left was skits. We sadly received second place with "Bartlett Buster" with "Thriller" as our theme song.

Dear David:

This picture was taken of you when you were four years old. You look like such a handsome young man. You have not changed at all you are still a handsome young man, just a lot more ready to face the world now. I have been so proud of you since the day you were born. You have always been so smart and quick to learn. you always amazed everyone that met you with your intelligence. You talk by the time you were a year old and walk by the time you were nine months old. You have always excelled at whatever you do: skiing, snowboarding, school work, your job after school, and during the summer. You have always made me proud and I know you always will. I love to say "Yes that's my son." You have grown into a wonderful, caring, funny, lovable young man. I know you will accomplish anything you set your sights on in life. I hope for all the best of you. I remember the day you were born like it was yesterday. I just cannot believe all these years have gone by and you are about to graduate from high school and start your life as an independent adult. You will always be my little boy no matter where life takes you. I wish you all the best things in life. I hope all your dreams for the future come true. Whatever roads you choose in life I will be there to support you all the way. I have and always will be the proudest Mom in the world. I love you very much.

Dear Scott,
For years we have watched you grow,
Wondering how you'd turn out we didn't know,
You have filled us with joy and laughter,
For years to come and life they're after.

Now that you are almost full grown,
We wish you the best though we moan,
When it seems like we had you forever,
Not so long have been together.

Our hopes and dreams go out with you,
We know we will see a good future too,
Now you will start on a new quest,
You're to do your very best.

And if it gets hard to carry on,
We will help you through morning till dawn,
So now we give you this time to just shine,
And pray that you'll always remember you're mine.

With Love,
Mom and Dad

Dear Sarah,
When all the world is a hopeless jumble
And the raindrops tumble all around
Heaven opens a magic lane
When all the clouds darken up the skyway
There's a rainbow highway to be found
Leading from your window pane
To a place behind the sun
Just a step beyond the rain
Somewhere over the rainbow way up high
There's a land that I've heard of once in a lullaby
Somewhere over the rainbow skies are blue
And the dreams that you dare to dream
Really do come true
Some day I'll wish upon a star
And wake up where the clouds are far behind me
Where troubles melt like limon drops
Away above the chimney tops

Love Mom, Dad, and Steve

Believe in Yourself, and Remember that Anything is Possible

Believe in what makes you feel good,
and what makes you happy.
Believe in the dreams
You've always wanted to come true.
and give them every change to.
If you are willing to take the
opportunities you are given
and utilize the abilities you have,
you will constantly fill
your life with special moments and unforgettable times.
No one knows the mysteries of life
or its ultimate meaning,
but for those who are willing to believe in their dreams
and in themselves,
life is a precious gift
in which anything is possible.

Jessy,

We are very proud of everything you have accomplished. You've shown us who you are...Now show the world!

Love,
Mom and Dad, Billy and Jody

In Case I Haven't Told You Lately...
I'm Proud of You,
My Child

Many days go by
and I find myself saying
the same things to you
day in and day out:
"Clean your room."
"Is your room clean?"
"Do you homework."
"Did you do your homework?"
"Don't be late."
"Drive slow...."

Many nights, after you have
fallen asleep and look so peaceful,
I have wondered to myself...
Did I tell you that I love you?
That I appreciate all you do for me?
That though your entire life
you will find me in your cheering section?

Have I asked you lately
about your happiness
and what's going on in your life?

I am sorry that there are so many times
when I get caught up with
the everyday routines
that I forget the simple,
important things in life.
I hope that you will forgive me
for my shortcomings,
as I will forgive you.
Always remember that
no matter how busy I seem to be,
I love you very much,
and I am proud of all that you do
and all that you stand for.
*Toni Crossgorve Shippen
